

STEPHEN CLEMENT CURRICULUM VITAE

PERSONAL

N Stephen James Clement
D 10/10/1988
A 78 Redmyre Rd, Strathfield 2135
T +612 9746 6023
M +614 25 205 698
E stephen.clement@gmail.com

The aspect of architecture that interests me most is its capacity to affect the individual: from the ability to simply make somebody pause for a moment or leave a lingering question in the back of their mind, to the possibility to change the way somebody looks at the world or enhance their standard of living. This gives me confidence that a person or group of architects can have a significant impact on the world surrounding them, which is what I hope to achieve.

EDUCATION

Degree	Master of Architecture	Degree	Bachelor of Design in Architecture (Digital Architecture)
